HANNOVER MESSE 2018- Get new technology first!

Hannover Messe –The world’s leading show for industrial technology highlights innovations and groundbreaking solutions in all the core sectors - i.e. industrial automation and IT, energy and environmental technology, industrial supply, production engineering and services, as well as research and development. The world’s leading trade fair for industrial technology will be held from 23 – 27 April 2018 at Hannover, Germany. HANNOVER MESSE boasts five leading trade shows under a single umbrella, plus all the key technologies and ideas at the same time and the same place.

Hannover Messe and Industrie 4.0 are an unrivalled combination. With the lead theme Integrated Industry – Connect & Collaborate this year, Hannover Messe is where one can experience the rapid pace of Industrie 4.0 and its effects. This is the only place where the digital transformation of the entire industrial system can be seen.

With the experience of more than 50 years, the event is expected to attend by more than 210,000 visitors. Approximately 6150 exhibitors will attend this 5 day-long event. This year Mexico will be the Partner country at Hannover Messe.
